Belmont Town Warrant

The State of New Hampshire

To the inhabitants of the Town of Belmont in the County of Belknap, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall, first floor, in said Belmont on Tuesday, the 12th day of March next at nine o'clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To choose one Selectman for three years, one Trustee of the Trust Funds for three years, one Trustee of the Public Library for three years.

3. To see if the Town will vote to change the time and place for discussion of the Warrant in 1968 to the Saturday after the second Tuesday in March at 1 P. M. and to be held at the Roland Kimball Auditorium at the High School.

4. To see what action the Town will take upon the Budget as recommended by the Budget Committee.

5. To see if the Town will vote to allow a discount of 2% on all taxes paid within thirty days of presentation of tax bills.

6. To see if the Town will authorize the Selectmen to borrow money in anticipation of the collection of taxes for the current municipal year, and to issue in the name of and on the credit of the town, negotiable notes therefor, said notes to be repaid during the current municipal year.

7. To see what the Town will vote to do with the income from the John M. Sargent Fund.

8. To see if the Town will vote to authorize the Selectmen to refinance and/or renew any loans which may become due during the current municipal year.

9. To see if the Town will vote to authorize the Selectmen to appoint a Collector of Taxes.

10. To see if the Town will vote to raise and appropriate a sum or sums not exceeding $2,950. for the purchase of a town-owned police cruiser and necessary equipment therefor, such as blue light and siren, such purchase to be made as the result of competitive bidding with specifications therefor issued by the Chief of Police with the approval of the Selectmen.

11. To see if the Town will vote to purchase a new fire truck for the Belmont Fire Department, at a sum not to exceed $19,000.00, and to authorize the Selectmen to borrow such sum not in excess of $19,000.00 as is required for such purpose, and to issue bonds or notes of the Town therefor payable over a period not to exceed ten years.

12. To see if the Town will vote to accept Sunset Drive as a public road by acceptance of a warranty deed thereto from Sunray Shores, Inc., and Harry E. Smith to the Town dated September 25, 1967.

13. To see if the Town will vote to purchase land situated on the west side of Wareing Road in Belmont, owned in part by Nutter and in part by Dearborn, sufficient in area to be used as a well site to provide a water supply for the maintenance of the Town water system, and sufficient in area to protect the purity of such supply at such price as the Selectmen shall determine to be fair and reasonable, such purchase price to be paid from the funds of the water department.

14. To see if the Town will vote to take by eminent domain the Nutter land and Dearborn land, or any part or parts thereof, situated on the westerly side of Wareing Road in Belmont, to be used as a well site to provide a water supply for the Town water system, and land sufficient to protect the purity of such supply, in the event that said properties cannot be purchased by the Town as provided in the previous article, and in such event, to authorize the Selectmen to initiate and take all necessary action to obtain title thereto by eminent domain.

15. To see if the Town will vote to authorize the Selectmen to apply for, receive, and take all neccessary action to obtain funds from the Land and Water Conservation Fund Program to be used for the acquisition

and improvement of the Judkins land bordering Pout Pond as a Town park, and to authorize the expenditure for park improvements of such portion of the annual payments by the Town on the purchase price voted in Article 10 of the Town Warrant for 1967 as will not be required because of funds obtained from the Land and Water Conservation Fund Program and used towards the cost of acquisition.

16. To see if the Town will vote to have Poire Road improved. This entails bushes cut and road widened and black topped.

17. To see if the Town will vote to enact the following as a Town Ordinance:

> "An ordinance prohibiting the sale of any land owned in the town of Belmont with the intent being the use of said land for a refuse or waste disposal site."

No person, firm or corporation owning any land within the Town of Belmont, shall sell, rent, lease or give away said land or any portion thereof with the intent that said land shall be used for a site for the disposal of any refuse or waste animal, vegetable or mineral matter of any kind from within or without the Town of Belmont. This shall apply to any person in the position to convey for such use, including Town Selectmen by tax sale.

The exception to this provision shall be that the potential seller first consult the Town Selectmen, Police Chief, Fire Chief and Health Officer, then notify all abutting landowners in writing by certified mail. The Selectmen shall then advertise and conduct a public hearing at least one week prior to such proposed sale, permitting abutting owners or anyone living in the area to voice his or her approval or disapproval of the purpose for which said land is to be used and objections thereto. Provided such hearing is held and no objection is raised, the Selectmen may then issue a permit allowing such sale, provided said permit is also signed by the Police Chief, Fire Chief and Health Officer.

Any person, firm or corporation violating the provisions of said ordinance shall be fined up to ten dollars for each day said land is used for such a refuse disposal site or dump.

18. We the undersigned voters and taxpayers of Belmont request an appropriation of $1,000.00 to alleviate some of the smell and sewerage build-up of the Tioga Brook

from Main Street between Mr. Noel's house, Mr. Harper's and Mr. Dube's house for a distance of approximately 2000 feet mainly by eliminating stagnant pools of water and cleaning up banking, etc. to be done after consulting the State Water Pollution Board and N. H. State Board of Health, and done according to their recommendations and their supervision and permission this coming spring or early summer.

19. To see if the Town will vote to become a member of a regional planning commission with one or more other municipalities having planning boards as provided in Revised Statutes Annotated, Chapter 36, Sections 37-44, said regional planning commission shall have the powers and perform the duties as therein provided. The two representatives from Belmont shall be nominated and appointed as provided in Section 38 of said Chapter 36.

20. To see if the Town will vote that the Plummer Hill Road, so-called, be tarred from Route 106 to Route 107, a distance of 1.6 miles when Hurricane Road is completed, with TRA money, the estimated cost being $9,000.00 total, $4,500.00 each section.

21. To see if the Town will vote to authorize the Selectmen to sell and convey, at such prices as they find advisable, any real property conveyed to the Town by the Tax Collector.

22. To transact any other business which may legally come before said meeting.

Given under our hands and seal this twenty-sixth day of February, in the year of Our Lord, Nineteen Hundred and Sixty-Eight.

ARTHUR W. HILL
JOHN F. MOYNIHAN
WILSON S. MANSFIELD
Selectmen of Belmont

A true copy of Warrant—Attest:

ARTHUR W. HILL

State Tax Commission

Separate Tax Rates to be printed on 1967 Tax Bills (RSA 76:11-a)

Town of Belmont

Unit of Government	Rates
Municipal	.89
County	.16
School	1.91
(Non-Precincts & Single School Combined Rate Districts - Towns or Cities)	2.96

Chapter 15, Laws of 1959 amends RSA 76 by inserting after section 11 the following new section: 76:11-a **Information Required.** The tax bill which is sent to every person taxed, or his agent, if known, as provided in section 11, shall show the rate for municipal, school and county taxes separately. Any town, through its selectmen, may request that the tax commission compute the rates which will appear on the tax bills as provided hereunder and upon said request the tax commission shall furnish the required information.

A combined or total rate is shown above for those towns with a single school district and with no precincts or village districts. It is recommended that the combined rate be shown on each tax bill in addition to the separate rates. Precinct and multiple school district towns and cities should also arrange their tax bills so that each taxpayer will know his total tax rate as well as the rate breakdown.

The Town of Belmont

New Hampshire

by action of its Board of Selectmen on this fifth day of October, A. D. 1967, hereby declares ANTOINETTE N. HAGGETT of Belmont to be its FIRST CITIZEN for 1967, and orders that the following words of tribute be printed in the next Annual Town Report:

"How do you repay a person for 17 years of loyal and faithful service as Town Clerk? What compensation can make up for the hundreds of footmarks tracking mud across her carpets on nights and weekends to register cars and register dogs, register births and register deaths? What compensation can make up for the many headaches involved in the meticulous keeping of records, the hours spent hunting for a penny out of balance to assure a perfect audit?

And when the same person has spent nearly a decade before that as Town Librarian, always greeting with a pleasing smile and a willingness to help, the young and old of our community as they came through the doors, the community must be doubly grateful."

Therefore, upon this, the occasion of her retirement from long and true service, the citizens of Belmont, through their Selectmen, confer upon her this small token of the esteem and appreciation with which she is held by everyone in this community.

Belmont Board of Selectmen

PEARL E. SANBORN

Librarian

Report of Health Officer

During the year I checked on 23 complaints and took necessary action in regard to them.

In making these checks I traveled 325 miles, aside from mileage on Chief Sweeneys car when he went with me.

Also water samples were taken from the Town water system at least each month. Favorable reports were received on all of these. Several samples were taken and sent to the State for testing from private water supplies.

The sewerage situation in Belmont Village is very bad and the sewerage system for the village district should be started at the earliest possible moment.

Your attention is called to the new Water Pollution Control Laws passed by the last Legislature, and the fact that if you live within 1000 feet of any lake, pond, brook or river you are required by this law to get a permit to install or repair any septic tank or dry well or leach beds.

This permit may be obtained from the New Hampshire Water Supply and Control Commission at 61 South Spring Street, Concord, N. H.

RUSSELL H. CUSHING,
Health Officer

Report of the

Belmont Police Department

Crime has become a major problem throughout the U. S. today. Its cost is measured not only in dollars, but in human misery. Each community must bear its share of the cost, whether it be in terms of increased police budgets, or unchecked lawlessness.

With crime increasing 5 times faster than our population, riots and mass murders commonplace, the work of the police is further complicated by the appearance on the scene of certain colorless, odorless and tasteless "instant insanity" drugs coming into use among teenagers. New court decisions and legislation have rung down the curtain on part-time law enforcement and ushered in the day of the full-time professional officer, not as a desirable ultimate goal, but as a practical, day to day necessity.

Belmont is the second fastest growing town in Belknap County and the third largest in population. Our growth has been running 10% ahead of census estimates, and we will have over 3,000 persons living here by 1972. With this growth, the police workload has skyrocketed also. In a town so spread out that it takes 9 hours of duty just to cover every street, highway, town and camp road in a day, your Police Chief finds that he has just 20 hours per week available for patrol after completing his other duties such as investigating accidents and complaints, office work, etc. During 1967 we experienced a rash of daytime housebreaks and some attempted child molestations during the hours of the day when families leave their property unattended and both parents are at work with children in school.

Despite a national average of 2.0 full time policemen per 1,000 population and an average per capita annual expenditure of $8.75, Belmont continues to struggle along with one full-time Chief and not even a town-owned cruiser. This gives us 0.4 full time men per 1,000 and a little over $5 per capita

in budget. Every other town with over 1,000 persons in the county has at least two full time men and a municipally-owned cruiser.

Your Police Department urges the town to hire an additional full time policeman and purchase a town owned cruiser in 1968. Whenever our schools pick up another 29 students, we automatically add another teacher with no questions asked, but our town's population has increased by over 1,000 persons in recent years, and we have drastically understaffed our police department.

Our thanks to the citizens and town officials for their past co-operation, and we hope that we shall continue to merit your support.

Respectfully submitted,

EARL M. SWEENEY

Chief of Police

Report of the Dog Officer

For the Year Ended Dec. 31, 1967

In 1947, there were only 14 dogs licensed in the Town of Belmont, with an income to the town of $40.20. In 1966, there were over 341 dogs licensed, from which the Town derived proceeds of over $1,000.00.

Although the Town has grown since 1954, the Town Clerk and Police Department deserve much credit for this increase because of their diligence in keeping records of dog owners, and collecting delinquent licenses.

Against this income from dogs, there are ever-increasing expenses for collecting overdue licenses, feed, care and disposal of stray, lost, sick and wounded animals, and reimbursing property owners for damage by strays.

In addition, the new State Rabies Control Act necessitates the keeping and feeding of impounded dogs for 14 days, where we formerly destroyed them if unclaimed after 3 days. This costs the town over twice as much as the previous law, and there is nothing we can do about it.

Whenever the owner comes to claim a stray dog, or we dispose of an animal at the owner's request, we make him pay the costs himself. However, the Town is liable if an animal is a stray or the owner cannot be located.

All dog owners are reminded to license with the Town Clerk any dog 3 months old or over by April 1 of each year, and all dogs running at large must have a collar, license tag, and Rabies immunization tag.

Respectfully submitted,
AIME J. BOURQUE
Dog Officer

ANNUAL FIRE REPORT — 1967

Total Number of Emergency Calls — 19

Tilton 3, Belmont 6, Sanbornton 8, Laconia 1, Gilford 1.

3	Chimney	1	Grass
6	Oil Burner or Heater	1	Brush
4	Building Fires	1	Trash
1	Car	1	Man Station Call
1	Tree	3	Mere Mutual Aid Calls

Fire loss — $5000.00 — Amidon Cottages.

A total of 316 man hours were put in on Emergency Calls.

A total of 220 truck miles operated.

1 Dry hydrant was purchased and installed at Chapman's Brook on Lower Bay Road.

1 Dry hydrant was purchased and is to be installed on

the West side of the river bank on River Road in Lochmere.

There are at present 31 volunteer firemen in the Department. A Regular and an Officers Meeting is held once a month as well as a Drill and frequent attendance at Mutual Aid Meetings and Fire Schools. At present a Pump School is being conducted by Capt. Leo Sasseville of the Laconia Fire Department.

The W. F. D. Fire Station is used as a meeting place by the following organizations: The 4-H Club, Winnisquam Ski Club, Belmont Lake Shores Assn., The N. R. A., Sanbornton Bay Association, The Cub Scouts.

More than 200 children in the Winnisquam Area attended this year's Annual Childrens' Xmas party and were given ice cream, candy, and gifts by a real Santa Claus, and a ride on the fire truck.

The present Fire Equipment consists of: 1 Tank Truck - 16 years old, 1 Pumper Truck - 15 years old, 1 Panel Rescue Truck - 16 years old.

All are in operating condition.

An order was given for a new 1000 gallon pump truck at a cost of $17,000.00 and a fund raising campaign was conducted to raise the purchase money. To date one third of this amount has been raised thru the efforts of members of the Department.

Winnisquam Fire Dept., Inc.

Theodore L. Cate, Eng., Belmont

Report of Belmont Fire Department

For the Year Ended Dec. 31, 1967

The members of the Belmont Fire Department would like to say thank you to all the people of Belmont for their cooperation and assistance during the past year.

This past year has been busy for the boys in the department. The boys have put in a total of 90 hours in training. This included classes in pump operation, ladder handling and ladder rescue, fire extinguishment, use of Porto-Power Rescue Kit, and use of different types of breathing equipment, plus attending five schools at Lily Pond Training Center and training school at Fitzwilliam.

We had an increase of number of calls this past year. Over the past year we had a total of 120 calls broken down in the following — Fire calls, 41; Ambulance Calls, 41; Mutual Aid, 4; Special Calls, 34. We received Mutual Aid help just once this past year a drop of 5 over the past year.

The ambulance service which is provided to the town free of cost is increasing each year, and the boys who operate this ambulance put in a lot of time in training in First Aid, keeping the equipment in good condition, etc. This past year the boys purchased a newer ambulance at no cost to the town. The Auxiliary along with the boys have purchased new equipment for it such as blankets, first-aid kits and portable folding stretchers.

The chief along with the boys hold regular fire drills and inspections at all the schools plus other buildings in the town. The chief has also given several fire prevention talks to the schools and other organizations of the town.

Remember when you call the fire department to report a fire or emergency call for the ambulance to state clearly the name and road it is located on.

Thanks to all the people of Belmont, the Budget Committee and Selectmen for their cooperation this past year.

Respectfully submitted,

ROBERT E. BORDEAU,

Belmont Fire Chief

Forest Fire Warden's Report

The year of 1967 will go down in history as a very wet year, even though the spring was very dry and windy.

Through this period we had many fires through out the state.

Except for 3 fires our town could have been fire free. One of these fires was caused by not complying with our fire laws, but the property owner paid the cost of putting out this fire.

The second fire was caused by a private contractor on another persons property. Due to the fact that there was not a clear understanding between the property owner and the contractor, and not checking with the Forest Fire Warden or Deputies about the conditions that must be followed to burn. The town was also reimbursed for putting out this fire.

Our third fire was of undetermined origin because of lack of evidence, but was minor in size.

I believe the people of this town are beginning to be more fire conscious, and if we all work together perhaps in 1968 we will be able to chalk up a fire free season.

The 9 a.m. to 5 p.m. ban will go into effect the first of April and remain there until the first snow.

GET A PERMIT BEFORE BURNING ANYTHING.

Respectfully submitted,

Robert Stevens, Fire Warden

Report of the Civil Defense Director

During 1968, your Civil Defense organization remained active, however we wish that more local residents would take an interest in the program, particularly regarding shelters. The Bureau of the Census and the State Civil Defense agency conducted a survey of all homes in town during the year, and most of you received through the mail following completion of the survey an offer of free plans whereby you could construct your own basement shelter.

Radioactive fallout and contamination of food and water supplies for several days is a real and present danger should targets in New England be attacked by nuclear weapons during any period of war. We must and should be prepared to protect our families. Public shelters in an area as spread out as Belmont are impractical, but there is no reason why every home cannot be equipped with its own shelter area.

In other activities, your C.D. organization obtained a Porta-Power hydraulic rescue kit for the Fire Department ambulance last year. This is to be used to break into vehicles or buildings in case of accidents, fires or other occasions where persons are trapped. Each member of the Fire Department has been instructed in its use.

Federal matching funds have been obtained for two new pieces of radio equipment proposed by the Police Department, made necessary by Laconia and Gilford going on a different frequency in 1968. It is essential that Belmont make the switch with them so that we can continue to have 24-hour dispatch for our radios and keep in contact with surrounding towns. Under the matching fund plan, the Federal government will pay half the cost of this new equipment.

A hearty "thank you" to the Selectmen, the voters of Belmont , and the State Civil Defense Agency for their continued support and encouragement during the preceding year.

Respectfully submitted,

ROBERT A. HARPER

Civil Defense Director

Report of the Planning Board

The first activity of the year was a second public hearing on the proposed zoning ordinances. The adoption of these ordinances was defeated at the 1967 Town Meeting by a tie vote of 179 to 179. Since at least as many voters are in favor of the zoning plan as are against it, and since the board continues to believe that a basic zoning plan is necessary for Belmont to move forward, another hearing was held in December. Opinions expressed at the hearing were considered and some changes made, preparing the way for voters to consider the adoption of these ordinances at the 1968 Town Meeting.

The Planning Board has spent considerable time and effort on the preliminaries necessary to producing a town plan as authorized by the adoption of Article 11 at the 1967 Town Meeting. Four Planning organizations were interviewed and the Board of Selectmen voted to hire the firm of Hans Klunder, Associates from Hanover, New Hampshire.

The Town Plan will be prepared in two phases. It will primarily consist of such studies and plans as are necessary to qualify Belmont for participation in the use of Federal funds for sewer, water, recreation, and other projects. Application has been made for Federal Funds to aid the Town in financing the Town Plan. Such funds are usually twice the amount that the Town contributes.

School Warrant

The State of New Hampshire

To the Inhabitants of the School district in the Town of Belmont qualified to vote in district affairs:

You are hereby notified to meet at the Roland S. Kimball Auditorium in said district on the Ninth day of March 1968, at 2 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the School District will vote to adopt as the checklist for school meetings the checklist of the town in accordance with R.S.A. 197:12 a.

10. To see if the school district will vote to incorporate kindergarten in the Belmont Public School System and appropriate $6,800.00 for its operation during the 1968-69 school year.

11. To see if the district will vote to appoint a committee to work with the School Board for the purpose of studying school building needs in the Belmont School District. Said committee to report back at the next annual meeting.

12. To transact any other business which may legally come before this meeting.

Given under our hands at said Belmont this day of 19 .

PAUL A. LUSSIER
EARL M. SWEENEY
PHYLLIS J. HOEY, School Board

A true copy of Warrant—Attest:

PAUL A. LUSSIER
EARL M. SWEENEY
PHYLLIS J. HOEY, School Board

School District Meeting March, 11, 1967

The Belmont School District Meeting was called to order at 2:10 p.m.(March 11, 1967 at the Roland S. Kimball Auditorium with approximately thirty-nine (39) persons present. Moderator Stanley F. Hill read the warrant.

Article 1. To choose a Moderator for the coming year.

Earl M. Sweeney nominated Stanley F. Hill. There were no other nominations. In the absence of the clerk, Thelma C. Moulton was instructed to cast one ballot and Stanley F. Hill was elected.

Article 2. To choose a Clerk for the ensuing year.

Barbara Twombley was nominated, and there being no other nominations, Thelma C. Moulton cast one ballot and Barbara Twombly was elected.

Article 3. To choose a Member of the School Board for the ensuing three years.

Robert A. Harper nominated Earl M. Sweeney. There were no other nominations and the clerk cast one ballot. Earl M. Sweeney was elected.

Article 4. To choose a Treasurer for the ensuing year.

Maurice H. Simond, Jr. and Thomas S. Edwards, Jr. were nominated. A vote was taken by paper ballot. Twenty-one (21) votes were cast for Maurice Simond, and eighteen (18) for Thomas Edwards. Maurice H. Simond, Jr. was elected Treasurer.

Article 5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

Lyle N. Watson moved that the salaries of the School Board and Truant Officer and the compensation of other officers or agents of the district for the 1967-68 school year shall be: Three School Board Members at $100.00 each (Total $300.00), Clerk $5.00, Treasurer $100.00, Moderator $5.00, Census Enumerator $75.00 and Truant Officer $50.00. Motion was seconded and carried.

Article 6. To hear the reports of Agents, Auditors, Com-

mittees or Officers chosen, and pass any vote relating thereto.

Maurice H. Simond, Jr., our representative to the Cooperative Study Committee, spoke on the meetings which he had attended. He was nominated to serve on this committee for the ensuing three years. There being no other nominations, the clerk cast one ballot. Maurice H. Simond, Jr. was elected. Lansing K. Reinholz stated that the Belmont Civic Association had deeded to the Town of Belmont the property immediately behind the Gale School, used as a ballfield. However, the school is to have first choice in its use.

Article 7. To choose Agents, Auditors, and Committees in relation to any subject in this warrant.

Wilson S. Mansfield moved that the Municipal Accounts Division of the State Tax Commission audit the accounts of the Belmont School District as of June 30, 1967. Motion was seconded and passed.

Article 8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Motion was made, seconded and carried that the items in the budget be discussed and voted on separately. This was done.

Roscoe E. Twombly moved that the District vote to raise and appropriate the sum of three hundred thirty-four thousand, sixty-eight dollars and one cent ($334,068.01) for the support of schools, for the salaries of the school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town. Motion was seconded and carried.

Article 9. To see if the district will raise and appropriate a deficiency appropriation of two thousand dollars ($2,000.00) for re-tubing the high school boiler, said sum to be turned over to the School Board prior to June 30, 1967.

It was explained by the School Board that when the annual check-up of the boiler was made, it was found to need extensive repairs, which were not included in the 1966-67 budget. They felt that this work should be done for the safety of the school. Mr. Frederick Sleep, Jr. moved that the district vote to raise and appropriate a deficiency appropriation of two thousand dollars ($2,000.00), said sum to be turned over to the school board prior to June 30, 1967. Motion was seconded and carried.

Article 10. To see if the district will vote to raise and appropriate an additional sum of three hundred eight-four dollars and thirty cents ($384.30) under transportation, to cover the estimated cost of sending a school bus through Horn's Gulch, and Dutile Road, down Plumer School House Road to Route 106, to pick up the children living on that road instead of having them walk to Mile Hill or Union Road for transportation.

Mr. Edward Esty explained that he felt the children in that area should not have to walk to the present bus stop, and the parents in that section of the town were of the opinion that the school bus should cover the route suggested. Mr. Sleep, who is in charge of the school buses, was called upon for his opinion. He believes this route is impossible to drive vehicles the size of school buses over safely. He believes there is not enough room to turn a bus around, and until the roads are improved, he would prefer not to use them. It was stated by the school board that each member had driven over this proposed route and each one felt it was unsafe for a school bus route. Deborah Smith stated that in the course of the next few years there would be at least seventeen (17) children in this area who would need transportation. Their parents are discussing what can be done about this situation and if it would be possible for someone to provide a warm place for these children to wait until the bus arrives. Mr. Sleep felt it would be wise for the School Board to meet with the Selectmen and try to find a workable solution to this problem. Motion was made that this article be tabled until a suitable answer could be worked out. Motion seconded and passed.

Article 11. To transact any other business which may legally come before this meeting.

Lansing K. Reinholz suggested to the School Board that they write a letter of appreciation to Mrs. Mildred Tasker for the work which she has done on the transfer of the Belmont Civic Association property to the Town of Belmont.

Earl M. Sweeney assured the townspeople present the School Board would meet with the Selectmen to try to work out new bus routes to the satisfaction of all persons concerned.

There being no other business to come before the meeting the Moderator adjourned the meeting.

Respectfully submitted,

Barbara Twombly, Clerk

Certificate of Audit

August 30, 1697

This is to certify that we have examined and audited the accounts of the Belmont School District for the fiscal year ended June 30, 1967. In our opinion, the Exhibits included herewith reflect the true financial condition of the School District on June 30, 1967, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Frederick E. Laplante, Auditor
Aaron M. Parker, Accountant

Division of Municipal Accounting

State Tax Commission Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

August 30, 1967

The School Board
Belmont School District
Belmont, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Belmont School District for the fiscal year ended June 30, 1967, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1966 and June 30, 1967 are presented in Exhibit A. As indicated therein, the Net Debt decreased by $23,075.51 during the fiscal year ended June 30, 1967.

Analysis of Change in Financial Condition : (Exhibit B)

An analysis of the change in financial condition of the School District during the year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1967, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net revenue surplus of $6,059.56, less a net overdraft of appropriations of $4,969.69, resulted in a net surplus of $1,089.87.

Summary Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1967, made up in accordance with the uniform classification of accounts, is indicated in Exhibit E. Proof of the Treasurer's balance as of June 30, 1967, is indicated in Exhibit F.

Statement of School Lunch Account: (Exhibit G)

A statement of the School Lunch Account is included in Exhibit G.

Statement of School Tax Account: (Exhibit H)

A statement of the School Tax Account with the Town of Belmont is presented in Exhibit H. As indicated therein, as of June 30, 1967, the School District had received from the Town the total of the 1966-67 School Tax of $221,016.45, plus a prepayment of $2,000.00 of the 1967-68 Tax. This prepayment represented a deficiency appropriation for 1966-67 of like amount.

Statement of Bonded Debt: (ExhibitI)

A statement of outstanding bonded indebtedness of the School District as of June 30, 1967 showing annual debt service requirements, is contained in Exhibit I.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased from $14.36 to $3,089.87 during the fiscal year ended June 30, 1967, as shown herewith:

	June 30, 1966	June 30, 1967
Total Assets	$1,002.32	$3,245.60
Current Liabilities	987.96	155.73
Current Surplus	$ 14.36	$3,089.87

Overdrafts of Appropriations and Application of Municipal Budget Law:

As indicated by the Budget Summary (Exhibit D), there was an net overdraft of appropriations of $4,969.69. In other words, . . . total expenditures exceeded budgetary appropriations by this amount as indicated herewith:

Overdrafts of Appropriations	$9,352.69
Unexpended Balances of Appropriations	4,383.00
Net Overdraft of Appropriations	$4,969.69

In accordance with the provisions of the Municipal Budget Law R.S.A. 32:10) which has been adopted by the Town of Belmont, in case of an emergency which necessitates making an expenditure in excess of budgetary appropriations, the School Board, with the approval of the Town budget committee, is required to apply to the State Board of Education for a certificate authorizing such emergency spending. The records do not indicate that this requirement was fulfilled.

A deficiency appropriation of $2,000.00 was voted at the School District meeting March 14, 1967.

Chapter 32, Section 10 of the Revised Statutes Annotated is quoted herewith:

"Exceeding Appropriations. In towns adopting the provisions of this chapter no board of selectmen, school board, commissioners of a village district wholly within said town, or other expending agency shall pay or agree to pay any money or incure any liability involving the expenditure of money for any purpose for which an appropriation has not been made, or in excess of any appropriation or allotment made to it, except for the purpose of paying judgments rendered against the town or school district or said village district, provided, however, that in case of sudden and unexpected emergency the selectmen or village commissioners on application to the state board of education, after hearing, may be given a certificate of emergency authorizing them to make such expenditure or incur such liability, provided that no such certificate of emergency shall be granted unless the budget committee of the town has approved the expenditure. In cases arising during the year following the annual meeting where changes occur which make it unnecessary to use the amount appropriated for a specific purpose, an unexpended balance may be transferred by the board of selectmen or the school board or the village commissioners of such village district from one appropriation to another, provided the total amount expended for all purposes does not exceed the total amount appropriated at the town, school or village district meetings for all purposes."

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal), shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Belmont School District for their asistance during the course of the audit.

Yours very truly

HAROLD G. FOWLER, Director

Division of Municipal Accounting

State Tax Commission

STATE OF NEW HAMPSHIRE

TAX COMMISSION

Concord
September 18, 1967

Edgar Kenney, Business Administrator
Supervisory Union No. 18
Franklin, New Hampshire 03235

Dear Mr. Kenney:

This is in reply to your inquiry relative to the report of the audit of the accounts of the Belmont School District for the fiscal year ended June 30, 1967, which was made by this Division.

In the budget statement which was filed with the Tax Commission by the School District for the 1966-67 school year, under the caption of appropriation account number 290, "other expenses", the amount of $10,725.00 is indicated. It is our understanding that of this amount, $10,000.00 was for "E.S.E.A. - Title I." Offsetting this account on the revenue side was an item of like amount.

"E.S.E.A. - Title I" funds are federal funds and must be (1) segregated from other school district funds and (2) separately accounted for. The district can expend for this account only as much as is actually received.

Therefore in the budget statements of our report, Exhibits C and D, the $10,000.00 was eliminated, inasmuch as we do not consider "E.S.E.A. - Title I" either an appropriation or revenue account. Consequently, it is indicated as a separate account in the appropriation statement, Exhibit C. As shown therein the amount carried forward from 1965-66 liabilities of $976.72, plus the amount received in 1966-67 of $4,954.00, equalled the 1966-67 expenditure of $5,930.72.

Hoping that this will give you the desired information, I am

Yours very truly,
HAROLD G. FOWLER
Director
Division of
Municipal Accounting

HGM:dmw

Report of the Superintendent of Schools

To the Belmont School Board and Citizens of Belmont:

In last year's report reference was made to a cooperative school study with the Winnisquam Regional School District. This study terminated this school year when notice was given by the Winnisquam Regional School Board that they felt it was not feasible to join the two school districts at this time.

At the close of the 1966-67 school year, seven staff members left the Belmont School System. This was a 22% change and an improvement over last year's change of 28%. The seven vacancies have been filled. In addition, a part time teacher has been hired to free the elementary principal for administrative and supervisory duties. Also the music and art programs have been expanded to meet good standards.

At the high school, studies have been put on a rotating schedule which gives all subjects a share of the best learning time during the week. Also in the high school the new approach to the teaching of biology has been put into effect.

The yearly inspection of the home economics program by a consultant from the State Department of Education indicated a high regard for the program Mrs. Carlisle and her students are doing in their department.

At the elementary level after teacher study and several workshops in reading, the Lippincott reading system was adopted. This is a phonic system and replaces the sight system which we have been using. This system was introduced into the first grades last fall and will be added to a subsequent grade each year.

The modern mathematics program which was begun four years ago will be completed next fall. Up-to-date language arts and science textbooks are being introduced by a grade each year. This program of textbook study and replacement is important in providing our children with up-to-date tools for learning in our fast changing world.

Our comprehensive testing program includes intelligence and achievement test by which to check the progress of our children. Special programs in safety and health are provided by the Green Pennants Program for student safety and the Proctor and Gamble dental hygiene program carried on by the nurse and teachers.

Federal funds are being used to continue the Developmental Reading Program in the elementary as well as the junior high school and the purchase of library books and films.

Many of the recommendations of the Elementary Evaluation of 1966 have been carried out by the staff. Improvements have been made in reading, science, mathematics, library services, audio visual materials and equipment.

In the area of maintenance major undertakings were:

1. Painting of two stairways in the old high school building. The locker rooms were also painted.

2. Considerable work was done on the sewerage disposal from the elementary schools.

3. Paving of one sidewalk entrance at Memorial School.

4. Installation of a chain link fence on the boundary of the elementary playground.

5. A roof was built to protect the lower steps on the fire escape at the Gale School and a new door was installed at the Junior-Senior High School.

In addition to the above, many items of maintenance were completed by the custodians and service repairmen.

I would like to express my appreciation to the Citizens, the Board of Education and School Personnel for their support this past year.

HERMAN N. DONEGAN
Superintendent of Schools

Belmont School District
